## GROUP TRAVEL INFORMATION 2018

## General Information

The F&WHR have carried passengers for more than 150 years - with sixty years experience of satisfying the specific needs of coach parties and group travel organisers since the railway reopened in 1955...

- We have comfortable carriages complete with tables and an 'at your seat' buffet refreshment service. Welsh Highland Railway trains also offer a selection of hot food and sandwiches. These can be purchased individually from our trolley service - or you can treat your party to an extra bit of style from our range of catering options (to be booked in advance). See opposite page for details.
- Booking early is recommended to ensure that you and your party travel on the train of your choice. A £50 deposit is required to secure your reservation.
- Parties of disabled persons are welcome on our trains, but facilities are limited by the size of our carriages. Please contact our Group Travel staff for further information and/or clarification. An access statement is available for both of our railways and can be viewed online at [festrail.co.uk/access.htm](http://festrail.co.uk/access.htm)
- Group Fares are available for pre-booked parties of twenty passengers or more (ten or more if disabled) which give substantial savings on our normal fares. One-way journeys are available on both railways.
- Our friendly Group Travel staff will be happy to help with any queries you may have about the railway or the surrounding area - such as "Where can we get a coffee stop on the way?"... "How long does it take to get from A to B?" etc. If we don't know, we will endeavour to find out for you..!
- Train times for both our railways are available online at [www.festrail.co.uk](http://www.festrail.co.uk)
